A LITTLE HELP

Start with short words.

Try a plural using -S.

Longer words are optional.

Any number of words is fine.

CHECK EACH NEW WORD

Use only the letters in the phrase. A, E, S, T and V may each appear twice.

F, H, I, L and R may each appear once. Reset the letters for every new word.

Accept standard English words of 3+ letters, including plurals.

No names, abbreviations or repeats. Use a dictionary for additional answers.
